Contemporary everywhere.

George M. Dorothy - (1770-1796) - support of classic music

(Eng. Life & Eng. Literature)

Queen Victoria - 1819-1901 - 84 years

Johnson's time -

middle class - power - the dominance of the aristocracy in every aspect of daily life was being inverted by the increase in numbers, wealth and importance of the middle classes.

Ladoga of old English - a solid, stable, proud English, before scientific inventions, industrialism and democracy had changed the face of the country.

Johnson's English - the 14th century's English is different - 15th century - 16th century - 17th century - circulating libraries - 17th century

all this was a stage of the democratization of life.
