

“Global Harmony and Rule of Law”:
A Report on the Plenary Sessions
of the 24th World Congress of Philosophy of Law
and Social Philosophy in Beijing

MORIMURA, Susumu

In this report, I summarize and briefly comment on the 10 papers presented at the plenary sessions of the 24th World Congress of Philosophy of Law and Social Philosophy (IVR 2009) held in Beijing, China. Most of the papers are related with the main theme of the congress: “Global Harmony and Rule of Law”, but there is great diversity of methodology and opinion among them.
